

LARGEST EASTER RABBIT in captivity is what the Soroptimist Club calls this long-eared fellow. Underneath the fur he's known as Bruce Ford, seven-year-old son of Mr. and Mrs. William Ford. Bruce, er, the bunny, that is, will reign at the club's big Easter Parade, when the Village's best-dressed residents will pass before judges grouped at The Center at 1:30 p.m. Sunday, following church services. Tanner Applies For Bus Service

It Now Has Here

Tanner Motor, Tours, Ltd., today is seeking authority from the State Public Utilities Commission to operate a bus service in Palm Springs.

Although Tanner already does operate a bus within the city limits of Palm Springs, the application is in compliance with a PUC order that they must have a certificate to transport people within the city.

In the application, the bus line asks for inclusion of the surrounding area in the certificate, but does not apply for specific routes outside the resort community.

FBI Is Unsuccessful In Scott Money Hunt

DETROIT —The U.S. district attorney's office acknowledged today that the Federal Bureau of Investigation had been conducting an intensive search for any funds and property hidden by accused wife-slayer L. Ewing Scott, 600.

The admission of the search, which the FBI had denied, came after Scott was given back \$1,500 of the \$10,400 taken from him Tuesday following his capture as he tried to sneak back into Canada.

DISTRICT JUDGE Theodore Levin ordered the federal marshal to return \$1,500 to Scott to pay his attorney, Gabriel Cohn, Detroit, legal fees and expenses.

Levin also set bond for Scott at \$100,000 at the request of the district attorney. Cohn said the setting of bond at that amount meant nothing since it was impossible for Scott to raise that much. Cohn asked for a \$50,000 bond, commenting, "My client can't even raise that amount."

Villagers Invited to Enter First Annual Easter Parade

Mr. and Mrs. Palm Springs were today invited to take their place in the Soroptimist Club's Easter Parade Sunday on the promenade between Andreas Road and Bullock's.

The parade, programmed to run from 1 to 2 p.m., will line both sides of Palm Canyon Drive. Judging at The Center begins at 1:30 p.m.

How to enter the parade? Just join the line of march.

TROPHIES AND GIFTS, contributed by Village merchants, are listed for 14 categories, including family groups, individuals and juniors.

Continuous music will be played by the Rossmore Hotel trio and youngsters will be presented candy Easter eggs by a live bunny, club officers said.

PARADE JUDGES are Mayor Florian Boyd, Edith Carlson, Bill Rashall, Mabel Russell and Jimmy Cooper.

Parade committee members are Ida Keeney, chairman; Elsie Adde, Esther Weingarten and Guri Gilbert.

Awards will be presented to winners of such categories as best dressed couple, family, woman, man, high school girl, high school boy and the wearer of the prettiest lady's hat.

OTHER AWARDS will be given to the best dressed elementary school boy and girl, pre-school age boy and girl, best dressed twins, mother and daughter and father and son.

Cash contributions for awards were donated by the following firms: George Beebe Jr. Shops, Beachcomber Shops, Bank of America, Citizens Bank, Coachella Valley Savings and Loan Association.

Bill Ude's Cafe, Harold's Service Station, Chi Chi, Biltmore Hotel, Bill Fadden, Harold Hicks, Carl Lykken and the Palm Springs Hotel and Apartment Association.

GIFT CERTIFICATES were donated by David Roth's Men's Wear, Dorothy Gray Shop, Carlos Men's Wear, Ross of Palm Springs, Palm Springs Music and Appliances, Kelley's Home Furnishings, Nelson's Oasis Men's Shop and Beck Brothers.

Merchandise was contributed by Mary Helen Shop, Wilson's Jewellers, Adrian's, Palm Springs Cash Register and Supply, Fun in the Sun Candies, Town and Country Restaurant, Chi Chi, Tanner Motors, Trixie Jarrette Dance Studio, Village Pharmacy, Palm Springs Drug, Palm Springs Import and Tony and Marilyn's Fountain.

ROME —Pope Pius XII appeared at the window of his study in Vatican City today to bestow a Good Friday blessing on 10,000 pilgrims kneeling in blazing sunshine in St. Peter's Square.

The 81-year-old Pope showed himself in response to the cheers of the gaily dressed crowd of foreign tourists. Robed in white, he stood at the window and imparted his blessing.

The crowd was part of an estimated 50,000 tourists in Rome for the Easter ceremonies.

WOODS SAID ONLY that the sum paid to Cohn had "no significance" in the search for larger sums. But he admitted the FBI had combed Scott's trail in the Ontario Georgian Bay vacation area from May to December, and since then along the routes of his trips into the United States.

The FBI had denied any interest in Scott's wanderings or in how much of his wife's \$600,000 he carried out of California with him when he fled from the Los Angeles area in May, 1966.

BUT DURING THE hearing on the return of this money, Asst. U.S. Atty. George E. Woods revealed Scott already had paid Cohn an undisclosed amount.

Since the only known funds which Scott had at the time of his capture were the \$35 hidden in his clothes and the \$10,400 he had hidden in a money belt, Woods was immediately asked where the first Cohn fee came from.

First British Ship Uses Suez Canal

Egyptian Press Hails Action As Major Victory

By UNITED PRESS
The British freighter West Breeze sailed through the Suez Canal today, the first British ship to do so since the invasion of last October. The Egyptian press was jubilant and predicted an early end to any Western boycott of the canal.

The situation in Jordan quieted down for the moment, but the new anti-Communist policy of the Amman government had repercussions in Jerusalem today. Jordan border authorities refused to admit three Russian nuns because they carried Soviet passports.

JORDAN OPENED the border to Russians only last Christmas, but balked at today's Easter pilgrims.

King Hussein of Jordan told United Press Correspondent Joe Morris earlier in an interview that his country would fight all "imperialism," avoid foreign pacts and steer clear of such imported dogmas as Communism.

But he said Jordan would observe "positive neutrality"—the course advocated by Egypt, Syria and Saudi Arabia.

BANNER HEADLINES in Cairo newspapers said the West Breeze and the British freighter Poplar Hill had paid their canal dues in Swiss francs to the Egyptian Canal Authority as demanded by President Gamal Abdel Nasser.

The Egyptian authority announced in Port Said that the American President liner President Jackson would pass through the canal next Wednesday, the first American ship to do so. It said the 9,277-ton ship also would pay its tolls to Egypt.

ISRAEL was reported increasingly concerned at the way the Suez negotiations were going. A Jerusalem dispatch said Premier David Ben-Gurion also was concerned about recent statements by President Eisenhower he asked his ambassador in Washington to seek clarification.

The chief Israeli concern was Eisenhower's statement that American ships had been advised not to try to force their way where they are "forbidden."

Israel feared this meant the Americans were not living up to promises to see that the Gulf of Aqaba was open to international navigation.

Police Enjoy Rest As Kids Simmer Down

Only Few of Many Thousand Cause Trouble

Village police enjoyed a well-deserved breathing spell last night as capers of Easter vacationing juveniles simmered down to comparatively few complaints and law violations.

Officers booked three juveniles for curfew violations while two other minors went to jail on drunk charges. One youth charged with drunk driving the night before drew a hefty court sentence.

IT WAS A surprisingly mild evening for police who wearily shepherd day-long, bumper-to-bumper traffic through the city as thousands of vacationing youngsters toured the Village.

Viewing the lull as a possible harbinger of stormier conditions, police prepared for an extremely hectic weekend. But some officers hopefully theorized that the Thursday night peace might be an indication that the capricious youngsters had suspended their adolescent antics.

OFFICERS REFLECTED that only a few of the thousands of generally well-behaved teen-agers were responsible for the law violations.

Meanwhile, as police maintained constant patrols of crowded hotels, the City Recreation Department programmed evening orchestra dancing and weekend afternoon swimming parties.

Recreation Director Howard Haddock said the Palm Springs High School swimming pool will open from 1 to 5 p.m. tomorrow. A life guard will be on duty. Swimmers will be charged a fee of 35 cents.

TEEN-AGE DANCING continues for the third night tonight at the Youth Center. The dance, sponsored by the Stockers Car Club, requires an admission of 75 cents stag, \$1.25 per couple.

A breakdown of juvenile complaints last night and early this morning showed that three youngsters, aged 16 and 17, were picked up at 5:30 a.m. today on curfew violation charges and failure to have adult supervision.

One USC student was sentenced to pay a \$100 fine for drunk driving and had his driver's license suspended for 90 days by Judge Eugene Theriault.

TAKE ME HOME says the plaintive look on this pup-dog's face. The bright-eyed, red-haired canine was left tied to the city's animal shelter fence Sunday afternoon, but Humane Officer Bill Mueller said the dog's actions indicate he definitely has a home in Palm Springs. The dog refuses to eat and whines continually. Unless the owner claims the dog tomorrow, he will be up for adoption, and Mueller said that there are plenty of applicants ready to give a new home to the well-mannered pup. (Desert Sun Photo).

Ernie Dunlevie Elected Realty Board President

Ernie Dunlevie was elected president of the Palm Springs Real Estate Board last night at the annual meeting of the organization. He succeeds Theresa Press.

Other officers named were: Harold Murphy, first vice president; Don Cameron, second vice president; Herb Foster and Roger Richard, new directors.

HOLDOVER DIRECTORS are Mrs. Press, Lew Levy, Mildred Jackson and Frances Wilson. The new officers will be installed at the traditional dinner-dance scheduled during May.

IN OTHER ACTION last night the board requested that the Chamber of Commerce again issue a "Fact" folder concerning Palm Springs, similar to one in use several years ago.

A committee composed of Ted McKinney, Frank Miller and Cub Parker will work with the Chamber in preparing the folder, and compiling information.

Fog Blankets Chicago for Second Day

Twisters Damage Property Only, No Deaths Occur

By UNITED PRESS
Tornadoes, severe thunderstorms, fog and snow swept portions of the nation's central section in a new outbreak of spring weather violence.

Locally violent storms with hail and heavy rain slammed into South Dakota, Nebraska, Kansas and Northern Oklahoma during the night.

TWISTERS ROAMED over parts of Texas late Thursday, but little damage was reported. Two tornadoes hit the ground near Pottsville, near the Oklahoma border, but disappeared after destroying chicken houses and a garage and damaging a home.

Winds of 40 miles per hour lashed the Central Plains, with some gusts of higher velocity in the storm areas.

HAIL STONES the size of marbles piled up six inches deep at Wolsey, S.D., northwest of Huron, during a sudden storm. Telephone communications were disrupted at Huron and Aberdeen, S.D.

Snow blanketed the higher elevations of the Rockies.

Dense fog shrouded the lower Great Lakes for the second night in a row, closing Chicago's Midway Airport, the world's busiest, and O'Hare Field and stranding hundreds of airline passengers. All major airlines cancelled flights in and out of the city during the night.

Disarmament Hope Up At Easter Recess

LONDON, **AP**—United States and Russian disarmament delegates headed home for conferences today, indicating the possibility of a break in the 11-year-old disarmament stalemate.

Western delegates were hopeful Russian delegate Valerian Zorin would return from the five-day Easter recess with affirmative answers on the latest American proposals, by U. S. delegate Harold Stassen, on which Soviet reaction still is unknown.

These proposals include a September meeting of eastern and western scientists to plan a nuclear control program. This program would go into effect and atomic bomb production would halt next March 1.

The American proposals also call for mothballing 25 per cent of conventional weapons in international disarmament depots in two stages.

The third proposal is to accept a partial "open skies" inspection plan.

Automotive Industry Campaign For Safety Shown Lions Members

Leo Athans, of Palm Springs Lincoln-Mercury agency, was chairman of the day at Thursday's meeting of Palm Springs Lions Club and presented a sound movie of what the automotive industry is doing to lessen the high traffic toll in the nation.

The film, entitled "Crash and Live," depicted the engineering changes produced by the research facilities of the Ford Motor company to lessen the dangers of automobile accidents. These developments are available to, and are being used by, all automobile manufacturers.

In an impressive talk, accompanying the film, Athans touched

on the tragedy of the highways and of the need of greater caution by motorists to supplement the work of manufacturers, to make driving safer.

There were many visitors from other Lions Clubs at the meeting in the Starlite Room of the Chi Chi. Among them was Captain C. L. Kelsch, managing director of the C. F. Sharp company of Hong Kong.

He told of Lions Club activities there and will carry back with him a message from President Joe Henderson of the Palm Springs Club via tape recording. Capt. Kelsch is a guest in Palm Springs of Murray Barrick of the Palm Springs Hardware and Department store.

Famous Nuclear Scientist to be Speaker At Community Forum Here Tuesday Night

Dr. Ralph E. Lapp, a scientist who has been deeply involved with the atom during the war and post-war years, will address the Community Forum on Tuesday, April 23, at 8:15 p. m. at the Jewish Community Center, 332 West Alejo Road.

Dr. Lapp is director of the Nuclear Science Service, an organization he set up in 1949 to serve as a consultant to industry on uses of nuclear energy. When there isn't much consulting to be done, which isn't often, Dr. Lapp lectures. When there isn't much lecturing to be done, which isn't often either, Dr. Lapp writes.

TO KEEP ABREAST with the latest developments in nuclear

energy, he traveled to Geneva, Switzerland, in the summer of 1955 to attend the first International Conference on the Peaceful Uses of Atomic Energy, under the sponsorship of the United Nations, in which delegates of 72 countries participated.

Dr. Lapp has collaborated with Stewart Alsop, well known columnist, in a number of Saturday Evening Post articles covering civil defense, the hydrogen bomb, tactical uses of atomic bombs and highlights in the U. S. atomic project. Following the nationwide atomic attack alert in the summer of 1955, he wrote a feature article in Life Magazine on the effectiveness of the Civil Defense program.

Liebling Property Development Plan

Construction on the Fay Liebling property in the 100 block of North Palm Canyon Drive including 300 feet on Tahquitz Drive, which together with the land will eventually cost \$750,000, was announced today by Mike Jekyll, realtor of the firm of Jekyll, Bradley and Company, leasing agents for the new enterprise.

According to Jekyll, two or three buildings just south of the Bank of America will either be destroyed or altered considerably in order to form with the new architectural styling of the new structure.

IT WAS POINTED out that

Tahquitz Drive will eventually be the Palm Canyon terminus of McCallum Way when the extension of that thoroughfare is completed for which the bonds were voted.

The entire structure from Palm Canyon Drive around the corner to Tahquitz will be one story with the exception of the corner which may raise to the legal building height of 30 feet.

JEKYLL SAID the size of each store will depend on the needs of each leasing tenant, many of which may be extended to meet space requirements. One of these stores has already been leased, Jekyll reported.

Leonard Wolf has been awarded the building contract, and the architectural plans and design were prepared by Karasick and Heide.

Abe Liebling, who has been closely associated with the project, said that the entire project is under the operation of the Mutual Enterprise, Inc., of which he is president.

Farmers carried out primary agricultural conservation measures on 34 per cent of the farm land in the United States in 1955.

Cathedral City Youth Center Discusses Plans

Many problems were discussed at the meeting of the board of directors of the Cathedral City Youth Center at the meeting held in the teachers lounge at Cathedral City School.

Deputy Sheriff Paul Lewis of the Banning sub-station told of the problems in an area as large as the Banning office embraces, and offered suggestions in coping with situations that arise in the various youth activities. He pledged the support of his organization if the need should present itself.

The by-laws committee submitted recommendations that were unanimously accepted, and there was a round table discussion on the feasibility of a building that would satisfy the needs of Girl Scouts, Boy Scouts, and Youth Center activities.

A special meeting was set for Monday night, April 29, when the board of directors will meet with all interested teenagers in the Cathedral City area to discuss with them any needs or problems of their Teen Club.

The next regular meeting of the Youth Center board will be on May 20, with a representative from each of the various organizations asked to attend.

IT WAS A HOUSEWARMING Wednesday evening when the Paul Reynolds entertained around 150 people at their beautiful new home on Calico Road in Thunderbird Ranch Estates. Pictured in front of the fireplace in the Reynolds living room are Mr. and Mrs. Reynolds, on right, and two guests, Mr. and Mrs. Fred Waring. (Sun Photo.)

Reynolds Host Party in New Home

The big party Wednesday night was out on Calico Road, where Mr. and Mrs. Paul Reynolds (she is the former Trudy Clappett) were warming their beautiful, big new house in Thunderbird Ranch Estates. The big living room and the lanai that runs the length of the house were filled with over 150 guests.

The buffet table was set up on the lanai, which was a favorite gathering place because of its magnificent view of the whole Thunderbird area. In one corner of the lanai is a splashing pool with magnolia blossoms floating in it.

Among the guests were the Fred Warrings, Gordon MacRaes, the B. C. Bollmans (they live in the neighboring house which they bought from Bing Crosby), the Bob Kenastons and the Jack Kenastons, George Robertsons, George Holsteins, Virginia and Charles Ferrell the Rulon Frees, Ralph Singers, Dan Dunlaps, Elvira and Don Bleitz, Mrs. William Malouf, Mrs. Frank Bering, Mrs. Harry Joe Brown, John McClures, Sam Taylors, James Welches, Maynard Laswells, John Dawsons, Lou Manseaus, Barney Hinkles, Judy Howard, Peggy and Norm Waters, Bill Bannermans, Randy Christies, C. Little Red Riding Hood, Little Wolf Share Favor

By SHELBY WEGNER

A young audience alternately cheered Little Red Riding Hood and Little Wolf in the gay, action-filled production Saturday afternoon at the Palm Springs Playhouse of the children's drama, "Little Red Riding Hood," presented by the Playhouse Guild. The entire cast of Playhouse Players, under the direction of Michael Ferrall, contributed to make this a delightful showing. Marrian Walters designed and made the imaginative costumes that added so much to the realistic appearance of these fantasy characters, who seemed to have walked right out of a favorite story-book.

We first meet Little Wolf when he is trying to convince his wary grandmother that he can learn the

ways of Red Riding Hood and her family, and can catch her and her grandmother. Ray Gronwald is an impish wolf, not at all frightening, but very amusing in his prancing and mimicry. Tim O'Connor is the old wolf grandmother, wise in the ways of people, and concerned that her mischievous grandson will get into real trouble. Both wolves are replete with long, furry tails and wolf-face masks.

Beth Williams is a pretty, light-hearted Red Riding Hood, who likes to gather flowers and weave them into chains. She skips, sings, and dances through her adventures and finally climbs to safety when Little Wolf tries to trap her. Phyllis Flax plays her mother, who often speaks in a lilting chant as she deplores her child's forgetfulness. Sidney Brees and Justin Clarke are Peter and Michael, the brave woodmen who enter into the plots to catch Little Wolf. From the moment that the grandmother enters on the shoulders of the strong Michael, there is no doubt why she is called "Grandmother Sly-boots". Joan Overholt is wonderful in her role of this crochety old lady who can be very scary when she feels like it. All of the cast are excellent, and play with vigor and verve that drew applause, shouts of laughter, and helpful suggestions when someone appeared to be in difficulties.

From the opening scene to the final exciting climax, a battle of wits ensues between the human family and the wolf family, and there is a lot of scheming, chasing, and suspense. Attractive settings in three different scene shifts adds interest to the fun-filled program. The play was repeated on Sunday afternoon, and a final presentation will be made at 2:30 on Saturday, April 20. A matinee ticket at \$1 would be a most welcome Easter treat for any youngster.

Pink and Blue Stork Shower for Mrs. Danchak Jr.

Pastel spring flowers decorated the home of Mrs. Bill Whiteley on Sunny Dunes Road, Tuesday evening when she was hostess at a stork shower for Mrs. John Danchak, Jr. Gifts were placed in a pink and blue decorated bassinet which had been used several years previously by Mrs. Whiteley's son.

A buffet supper was served later in the evening along with the shower cake which was decorated by 13-year-old Ruth Watkins. Ruth did a beautiful job with her pink and blue cake and miniature baby dolls and cradles perched atop the cake.

Among the guests were Mmes. Paul Watkins, Robert White, Charles King, L. Williams, Bill Fuller, Wayne C. Fields, Ben Constantino, Don Tanner, Lester Hurst, Duane Keeley, Jim Walls, Fred Roth.

Also Mrs. Danchak's mother, Mrs. John Danchak, Sr. and her mother Mrs. M. Drebing.

Those who sent gifts and were unable to attend were Mrs. Mike Terracotta and Mrs. Jess Jessup.

Families Together For Easter Week

Easter Week has found many family groups at Shadow Mountain Club, among them the Jimmy Stewarts with their four children, Judy and Kelly, Michael and Ronald.

Also Adolph Spreckels with Joan and Adolph Jr., the Justin Darts (Rexall Drug) with their two children Guy and Jane; and the Willard Parkers (Virginia Field) with their daughter Maggie.

Guild to Meet

The Guild of St. Paul's in the Desert Episcopal Church will meet Tuesday, April 23, at 12:30 p.m. at the home of Mrs. James H. Adamson at 352 Pablo Drive. Mrs. Ronald Ellis, Guild president, will conduct the meeting.

Daughter Born

Mr. and Mrs. Tony Torro of 33690 Rancho Vista, are the parents of a baby girl born at Desert Hospital on April 16. The baby weighed eight pounds.

Eddie Davidson flew east yesterday to Indianapolis to visit his brother Boris, who is seriously ill.

The waxed wrapper from a loaf of bread will do a good job of polishing nickel on kitchen ranges, said the Alabama Extension Service. It also will work on the tea kettle.

Cal Vet Loan Raise Increases Activity Here

Legislation has recently been enacted raising the Cal Vet loan figure to \$15,000, maintaining the 3 per cent interest rate, which should prove a new stimulus in the building program for our California Veterans, of which there are more than one million, according to Howard Ellgood of Press Construction Company.

The company is currently constructing a residence for Howard Haddock, city recreation superintendent, under the Cal Vet Program, and two residences under the V. A. program, in addition to various conventional loan plan activities and F. H. A.

Ellgood stated that with an average crew of 30 skilled workmen on their payroll, and a fleet of two-way radio equipped trucks, they can give fast, well-constructed homes at an economical price.

An open invitation is offered for all Veterans to stop in at the office of Press Construction Company at 611 South Palm Canyon Drive, or to phone Palm Springs 5282, for advice on which financing program is best suited to their needs.

Insulation and tight-fitting windows with double glass can cut heating costs in half in farm buildings.

Asters, Zinnias Prove Favorites

Long-established favorites for summer gardens and for cutting, Asters and Zinnias are available now in many new varieties and types to liven up your garden setting.

The Aster (*Callistephus chinensis*), often called China Aster, grows in practically every hue but yellow. There are many types, such as American Beauty with peony-like flowers; Single Rain-bow with single daisy type flowers; Powderpuffs Mixed, in shades of blue, pink and red, and Crego Mixed with full, feathery flowers in many colors, all immune to disease.

Children Can Satisfy That Take-Part Urge With Their Own Personal Furniture Set

Most children like things they can take apart and put together, and they also like to have some furniture they can call their own. This take-apart furniture set fills the bill on both counts. It was designed by Charles Smith, a Seattle, Wash., industrial designer.

The parts interlock and slip together. Then they are held in place by a wooden dowel which works like the "key" in a Chinese block puzzle.

WHILE THE FURNITURE is made so the children can take it apart and assemble it again and again, it is sturdy enough for an adult to stand on.

Simple lock joints made possible by the use of fir plywood hold the parts rigidly together while in use and allow the pieces to slip apart easily for storage. Then, the parts can be easily stored flat in a minimum amount of space.

LUNCHES, GAMES, or school work are always more fun at a table the children can call their own. Since fir plywood takes an excellent finish, the furniture can be painted in any variety of colors.

The table and chair set are economical to build since all the parts can be cut from one 4x8 panel of fir plywood.

A complete plan showing the cutting diagram and giving full construction information may be obtained at no cost by writing Douglas Fir Plywood Association, Tacoma, 2, Wn.

WHEN THE KIDS get the urge to take the furniture apart, you can turn them loose on this. It's like a puzzle toy with lock joints which hold the parts together while in use and then allow the pieces to slip apart easily for storage or play. All the parts can be cut from one panel of fir plywood.

Gardeners Check List

1. Dahlia tubers can still be planted.
2. All plants will respond to fertilizer applications made at this time.
3. These warm weather vegetables can be planted now. Cucumbers, squash, beans, corn, tomatoes, peppers and eggplant.
4. If you forgot to plant that shade tree during the winter months, it is still not too late. Your nurseryman probably has shade trees growing in containers.

MIAMI BEACH, Fla. (AP) — Holly Mims, an old middleweight "spoiler" ruled an 8-5 favorite today to whip Jimmy Meecham, a hometown boy with his eye on the welterweight crown, in a return 10-round television bout to-night at the Miami Beach Auditorium.

BATAAN IS WINNER

SACRAMENTO (AP) — Feather-weight Larry Bataan, Manila, won a unanimous 10-round decision Thursday night over Chuchu Mejia Mexico City.

MUSIAL'S RECORD STILL GOING THANKS TO RAIN

ST. LOUIS (UP)—Stan Musial was able to play in his 776th consecutive game here Thursday night.

Musial strained his back in Tuesday's season opener against the Cincinnati Redlegs and it was feared that "The Man" would have to stop 48 games short of the record of consecutive games in the National League.

The rainout of Wednesday's game against the Redlegs gave Cardinal trainer Bob Bauman an extra day to administer treatment. Bauman gave the "go ahead" for Thursday night's game after he saw that Stan's back had improved.

Musial was at bat three times but failed to connect and fumbled a ball for an error. However, he kept his streak intact by playing the whole game which the Cards lost to the Chicago Cubs, 10-2.

Fight or Get Out NBA Ultimatum To Aging Archie

GRAND RAPIDS, Mich. (AP) — Light heavyweight champion Archie Moore feinted with his left Thursday night and National Boxing Association President Floyd Stevens threw a haymaker right back, saying Moore will fight Tony Anthony or lose his title.

"Moore will fight for the title on the day he's signed to fight for it or we'll take the title away from him, that's all," Stevens said.

Moore, who is as handy or handier with words than he is with his aging arms, said in Essen, Germany, that he is demanding a \$100,000 guarantee to meet Anthony. He added that he hasn't signed to fight the handsome Har-jemite.

But a contract was exhibited to newsmen in Detroit March 25 which Moore—on hand—had purportedly signed to meet the winner of the Anthok-Chuck Spieser fight June 7 at Detroit Olympia.

"We've been very patient with him," Stevens said. "As far as we're concerned, he signed a binding contract."

Furgol, Palmer Lead by One in 'Vegas Tourney

LAS VEGAS, Nev. (AP) — A pair of "opposites" in the world of golf teed off in the second round of the \$40,000 Tournament of Champions today holding a one-stroke lead over a closely-bunched field of 23.

Battling for the \$10,000 first prize were Ed Furgol, the lame-armed swinger from St. Andrews, Ill., who missed eight putts of less than four feet Thursday and still came in with an even-par 72; and the picture-swinger, young Arnold Palmer of Latrobe, Pa.

The weather was so bad Thursday that their 72s were regarded as classics in the world of championship golf. But for all their efforts they held only a one-stroke lead over defending champion Gene Littler, former champion Art Wall, the Texas wind player; Fred Hawkins, and the ancient Jimmy Demaret, who never has been known to post a poor score in rugged weather.

The weather forecast for today was for calm and sunny. That would be a vast difference from Thursday. The gales blew sand across the desert at 30 miles an hour and the north wind brought in cold, chilling rains later.

Close on the heels of the leaders came Masters champion Doug Ford and the veteran Pete Cooper with 74s. Dow Finsterwald, Billy Casper and National Open champion Cary Middlecoff, the 5-1 tournament favorite, each had 75. A 76 were Mike Souchak, Billy Maxwell, Peier Thomson and Mike Fetcheck. Don January and Dick Mayer had 78; Ted Kroll and Bobby Rosburg 79; E. J. Dutch Harrison 80.

Old Story as Pitchers Find Their Patsies

Four Celebrate on First Appearance Against "Cousins"

By FRED DOWN
United Press Sports Writer

It's like old times today for four pitchers who celebrated their first appearances of the new season by picking on favorite "cousins."

The No. 1 job, of course, was turned in by Lew Burdette who pitched the Milwaukee Braves to a 1-0 victory over the Cincinnati Redlegs. It was the eighth straight win for Burdette over the Redlegs dating to 1955 and it gave him a 10-4 career record against them.

The Brooklyn Dodgers remained the only other unbeaten team in the National League when Sal Maglie tossed a four-hitter for a 6-1 triumph over the Pittsburgh Pirates. The 39-year-old Maglie now has a 23-5 lifetime mark against the Bucs.

A couple of American League jinxes enabled the New York Yankees and Chicago White Sox to chalk up their second consecutive victories.

THE WORLD CHAMPION Yankees scored two tainted runs in the ninth inning to down the Boston Red Sox, 3-2, with Bob Grim picking up the win in relief. Grim now has an 8-2 record against the Red Sox, who haven't beaten him since the 1955 season.

The White Sox drubbed the Kansas City Athletics, 6-2, behind a four-hit effort by Jack Harshman, who's beaten the A's four times and never lost to them during his career in the A.L.

The Chicago Cubs walloped the St. Louis Cardinals, 10-2, and the New York Giants beat the Philadelphia Phils, 6-2, in the other N.L. games while the Cleveland Indians downed the Detroit Tigers, 8-3, in 11 innings and the Washington Senators beat the Baltimore Orioles, 6-4, in the other A.L. games.

MOE DRABOWSKY, the \$60,000 bonus pitcher, stopped the Cardinals on four hits. Gene Baker, meanwhile, walloped three hits including a triple and double to pace the Cubs' 15-hit attack on five pitchers. Gail Harris and Hank Sauer each homered and knocked in three runs to lead the Giants to their victory behind a solid eight-hit job by Ruben Gomez. Sauer's homer was the 250th of his career.

Rookie Roger Maris' grand slam homer climaxed a five-run Cleveland rally in the 11th that returned Ray Narleski the winner over Detroit. Relief pitcher Pedro Ramos yielded only one unearned run over the last 6 1-3 innings to gain credit for the Senators' first victory of the year.

WOMEN DRIVERS CLOSE IN LONG ECONOMY RUN

SUN VALLEY, Idaho. (AP) — Sorry, fella, the women are pretty good drivers after all.

The Mobilgas Economy Run, which finished Thursday, proved it.

For the first time in the 13 years of regular competition the ladies were allowed to pilot autos in the contest that is intended to establish the most economical cars, gasoline-wise, of the current year's American production.

The girls turned in a handicap rating only 5-10ths of a ton-mile less than the menfolk.

This equals about two big drops of gasoline over a 349-mile course from Los Angeles to Sun Valley.

"What we need is more experience," said Mary Davis, a willowy blonde from West Hollywood, who was the only woman to win a class division in the race. She took first in Class A, low-priced cars, driving a Plymouth Belvedere 8.

Last year's sweepstakes winner, Mel Alsbury Jr., Los Angeles, piloted to sweepstakes victory the

1957 version of the Chrysler Imperial he drove last year.

THE WONDERLAND of Palm Desert is readily apparent from the above aerial photograph taken this past winter. It depicts a well planned community, which offers comfortable luxury living, with "The Smartest Address" on the American Desert.

Wasteland to Wonderland Is the Story of Palm Desert

By DEENIE YOUNG
The story of Palm Desert, like most communities, is the story of a people who invested heavily in time, money and effort.

Unlike many communities, it is a waste of sand, is a planned and

palm-lined village termed "The Smartest Address on the American Desert."

HERE IS HOW it happened. Two brothers, Randall and Cliff Henderson, first saw the place lying sheltered in a cove of the Santa Rosa Mountains and named it. Rumor states that back in World War II, the brothers, both officers in the U.S. air force, met by chance on the Gold Coast of Africa. Reminiscing of home, they longed for the time when they would return to California and made a pact that whoever reached there first would start looking for the ideal spot.

THAT SPOT WAS Palm Desert. Cliff Henderson, backed by such wealthy friends as Leonard Firestone, Edgar Bergen, Harold Lloyd, William King and many others, formed the Palm Desert Corporation and in 1947, the first Palm Desert real estate tract of office opened.

Soon after, the \$300,000 building housing Randall Henderson's "Desert Magazine" was completed and the \$1,000,000 Shadow Mountain Club, sumptuously laid out on nine acres of ground with dressing rooms, dining terrace, pitch and putt golf course and two guest cottages, announced its official opening.

THE PALM DESERT post office had been approved. The village could boast 15 1/2 miles of surfaced streets, 12 miles of water system; electricity, reservoir and flood control. The Bank of America had announced intentions of establishing a branch office. Eight Fire-Cliff lodges, several residences and business buildings were under construction. The community of Palm Desert was an

established fact.

That was in 1948. Today, more than 100 business and professional firms are listed in the Palm Desert directory. At least nine real estate developments are recorded with an approved 1,500 homesites. Thirty-two hotels and motels swell the normal residential population to an estimated 5,000 during the winter months.

RESIDENTS AND visitors enjoying casual living on the premises of the Shadow Mountain Club today—the gay hub of social life in the community—find it difficult to imagine the months of planning at drawing boards, by architects and engineers. Still less do they envision the even longer months, while the clamor of hammer and saw never ceased, until slowly, step by step, the community took form.

One of the first major thrills which older residents still like to recall, happened on the morning the first big water main was turned on and a sparkling geyser shot 50 feet into the air. Another unforgettable occasion, was the completion of the first artificial lake, celebrated by a picnic breakfast with an orchestra brought out from Hollywood.

THIS YEAR, WITH the number of homes approaching the 1,000 mark, it is estimated that more than \$6,000,000 has been invested in residential development alone. With an approximate \$3,500,000 representing the cost of hotel, lodge and bungalow-apartment buildings, the total would be around \$10,000,000 and this does not include business structures, the post office, school, churches, or the extensive investment in the Shadow Mountain Club and its facilities.

Residents claim this is only the beginning. Last September, the Home Loan and Savings Association of Los Angeles, in a real estate deal termed "the largest ever transacted in the Coachella Valley," purchased from the Palm Desert Corporation, properties including 700 acres of undeveloped land, 325 lots, two miles of Highway frontage, the Palm Desert Water Company and the Sun Lodges.

THE NOTED PAGE ranch, consisting of 792 acres and located one half mile east of Palm Desert, was recently sold to a group of community-minded businessmen, and the proposed \$1,000,000 "Eldorado" development with an 18 hole golf course and 400 homesites, will soon be open.

Combined with the Indian Wells area, situated one and a half miles east of Palm Desert and embracing Desi Arnaz Western Hills Hotel, an 18 hole golf course and 300 homesites, these developments, ac-

complished and in progress, will undoubtedly have a far-reaching effect upon an area, credited already, in its 10 short years, with a phenomenal growth.

In the village proper, plans are under way for the establishment of a Community Center to include recreational facilities, a Little Theatre and rooms for conventions. An extended service by the Coachella Valley Telephone Company, to Palm Springs, has been approved for October.

THE COACHELLA Valley Savings and Loan Association, has announced that it will establish a branch office in the area and at least three prominent Los Angeles business firms have leased or purchased business sites for the same purpose.

No less for the soundness than the rapidity of its growth, may Palm Desert indeed, be termed "Wonderland."

New Business Service Opens

"Services Unlimited," a complete business service, was opened this week by Marian Harris at 74-102 Highway 111 in the Palm Desert office building.

The new service includes mimeographing, stenography and the first telephone answering service in the Palm Desert area.

Mrs. Harris, who moved to the desert last month, owned her own mimeographing service in Studio City for the past three years.

She will be joined in her new desert home this summer, by her 15-year-old son, Robert.

Saturday morning brought a large and enthusiastic crowd to the Catholic Ladies Food Sale—not only to buy pies and cakes but to be present to see who would be the proud owner of an adorable 11-week old black poodle—W. R. Harrangue was the winner. Har-

rangue and his sister live on Beavertail Street and have lived in Palm Desert some time.

Emil Holagson of Wichita, Kan., was crowned King at Shadow Mountain Club Coronation a week or so ago—in fact, it was April 1 and it would seem almost an April

Fool joke that all the Royal party were named except him.

Tuesday was a gala day at Indian Wells Golf Club for the Shadow Mountain lady golfers. They were on the course bright and early, and most of them stayed for lunch at Western Hills. Mmes. Velma Blades, Dorothy Pierson, Mary Caplinger, Belle Keightley, June Goodwin, Vivien Jones, Irene Cornelius, Viola Brooks, Ann Schutz, Adele Rugge, June Crux, Ellen Johnson, Lorraine Vallet, Helen Sumpter and many others. Mrs. Ralph Hale and guest, Mrs. A. Merideth, Mrs. Edgar Sergeant and Mrs. John Moran were seen luncheon that same day at Western Hills.

The Palm Desert Women's Club is having a potluck supper, Wednesday, April 24, at 6 p.m. for members and their families. The program and community singing will be in charge of Johnny Boyle. This all takes place at the Shadow Mountain Club Stables, so Western and informal dress will be in order.

Mrs. E. E. Reichert is hosting an engagement cocktail party, tonight, April 19, from 6 to 8. Her daughter, Virginia Ray, has announced her engagement to Jack Schaub. These two young people arrived here on Thursday. They both attend the University of New Mexico.

Mrs. Louise E. McAlpin of Larkspur, Marin County, Calif., is spending the week with Mr. and Mrs. L. G. Baird.

TED SMITH, well known Coachella Valley business and civic leader, has been granted a license to operate an agency in Palm Desert for Coachella Valley Savings and Loan Association of Palm Springs. Offices have been established at 73-402 Highway 111, Palm Desert, and the office will serve Palm Desert, Rancho Mirage and Thunderbird areas. Smith is licensed to receive and process loans, as well as solicit new savings accounts.

Beautiful Shadow Mountain Club Is Definite Way of Life in Palm Desert

Nestled down among the copper-hued foothills of the Santa Rosa range, which juts out to form great protection for the town, is Palm Desert—home of the beautiful Shadow Mountain Club. Beyond rises the spectacular snow-capped Mt. San Geronimo, highest peak in Southern California, and there is no lovelier setting than the one created by the ever-changing shadows of the mountains.

ONE OF THE tremendous attractions of the club is the enormous figure-eight pool. There is enjoyment here for everyone—even those who don't go in the water and throughout the year the pool is the setting for water ballets, aquatic exhibitions and competitions, providing fun for those taking part, and diversion for on-lookers.

For the sports-minded—there is plenty of thrill-packed activity. Last year more than 150 contestants participated in the first annual Shadow Mountain Club sponsored—and AAU sanctioned—open and invitational swim meet held in the club pool. Two national and seven Southern Pacific records were broken in the two day swim carnival. It can be seen that the pool has become the focus of activity, particularly in the summer.

THERE ARE tennis courts under professional supervision of Magda Rurac, winner of many important European matches and trophies. Miss Rurac, to prove

that she still plays a championship game, not too many weeks ago defeated Pauline Betz Addie, holder of many world championships, at a tournament here at Shadow Mountain Club.

Palm Desert's sixth annual invitational Tennis Tournament was played again this year at Shadow Mountain Club, drawing many of the big names of the game. This tournament is sponsored by the United States Lawn Tennis Association, Southern California Chapter, in conjunction with the club.

BUT WHEN the sun goes down—every evening is truly a glorious climax to the exhilarating fun-packed hours of the day. After dark, whether one chooses the setting of the exquisitely beautiful Shadow Room, the picturesque Indian Room or the spacious, colorful lounge, invariably one finds an environment conducive to luxurious enjoyment.

Cuisine unsurpassed, companions of your own choosing, services and facilities above reproach—small wonder, indeed, that every club social event takes its place as one of life's treasured experiences.

THE SHADOW Ball, with all its formality—beautiful women in expensive gowns—is looked forward to from season to season by the members of this exclusive club; then following in quick succession—Aladdin's Ball, Monte Carlo Night and a fantastically arranged Luau, providing pleasure and fun for members and their guests.

Suffice to say that rich are the memories of all who have gathered here, dining and dancing or playing in the sun—enjoying each full season with social event upon social event crowding delightfully in one upon another in the beauty of the Shadow Mountain Club.

PICTURED IS THE architect's drawing of the contemporary home of Mr. and Mrs. A. F. Wells, Jr., which is considered an outstanding example of the luxury, desert designed homes soon to be constructed in Palm Desert's newest development—Bel Air in Palm Desert Highlands. Located off Highway 74, the 120 vista homesites lie on an elevated plateau southwest of the Village and offer a commanding view of the Palm Desert area facing the Chocolate mountains to the east with the Santa Rosa mountains providing the backdrop. Hal Kapp and Ted Smith of Desert Property Consultants Inc. are exclusive agents for the new development.

Edith Eddy Ward To Open New Branch Office

Commemorating her 10th anniversary in the desert area this season, Edith Eddy Ward, Palm Desert real estate broker, today announced that she would shortly open her second branch office in Indian Wells next door to the golf shop, to handle the sales for the new estate homesites for which she was named exclusive agent last week.

A leading broker of the area since 1950, the Indian Wells development chalks another milestone for Miss Ward, who, specializing in Thunderbird and Shadow Mountain Club properties for the past few years, is credited with much of the real estate development of Palm Desert and with bringing as residents into the area such outstanding personalities as Brian Donlevy, Earl Gilmore, William (Hop-a-long Cassidy) Boyd, George "Gabby" Hayes and the William Beettes.

Daughter of pioneer Californians from Bishop, the clean-dealing, straight-talking strain of the Old West still prevails in Miss Ward's business transactions.

Entering the real estate business soon after graduating from high school, Miss Ward moved to the desert in 1946 where she became sales manager of the Palm Desert Corporation. Following a study of relative property values in the area, she opened her own office in 1950 and now employs a staff of six persons.

Regarding the Indian Wells development, Miss Ward said today "Due to its location next to the Eldorado development and the work scheduled by the land planners, Indian Wells will be the golf center of the world with the finest residential homes in the area."

A new type of furniture was presented to the desert area this week by Nisley Interiors in Rancho Mirage in a colorful display of furniture combinations by Brown - Saltman called "Variations."

High-styled, moderately priced and eminently practical, these vivid furnishings have dozens of interchangeable group combinations which require a minimum of effort and are ideally suited for contemporary, desert living.

ART LINKLETTER is pictured above with A. Ronald Button, who is pointing out units six and seven which recently opened in the Rancho Mirage development. These new, luxury homesites located between Thunderbird Country Club and Shadow Mountain Club, overlook the area lying at the foot of the Santa Rosa mountains. Averaging 100

by 125 feet in size, they mark a further expansion of the Linkletter-Button development which started in 1955 and is today known as "The showplace of beautiful homes." Such outstanding movie personalities as Sir Cedric Hardwicke and Jeff Chandler have recently purchased homes in the development. (Desert Sun Photo).

Jim Sharpe Real Estate

WAS OUT SCOUTING AROUND THE OTHER DAY and came across
a real sleeper. This one has 100x150 lot with a nice large clean
POOL—It's a 3 bedroom beauty made from small blocks—Has
enclosed garage too—POOL is fenced for privacy—This owner is
a real Rip Van Winkle because he's just put in new wall to wall
carpets and is selling this place for only \$16,000—and you make
the terms.

ALSO FOUND A NEAR NEW 2 BEDROOM place with nice brick fire-
place, just off Indian Avenue. Has real good financing with a
\$11,100 1st Trust Deed payable for \$75 month including interest.
That's cheaper than rent. If you have the \$2250 down payment,
steal this for \$13,350.

LOTS OF HOUSES HAVE SOLD IN THE Deep Well area this past
month. We still have three nice ones left that should sell soon.
One is a 3 bedroom, 3 bath with large clean POOL—about 4 years
old—only \$34,500. The other is a 3 bedroom, 2 bath with POOL—
Only \$29,500 and then the other is a nice 3 bedroom, 2 bath with-
out a pool for \$28,500. Why not check these three values before
buying.

LISTED A TRIPLEX in the Warm Sands area that has a NEW POOL
just installed. The full price is so low that I'm afraid to print it
because you may think it would be just some old junk, but it's
not. \$10,000 down will handle it and the rents will more than make
the monthly payments.

WOULD YOU LIKE TO HAVE A HILLSIDE LOT near Little Tuscany?
Well, I have one for only \$3500. Submit.

ALSO HAVE TWO NICE VIEW LOTS IN ARABY—Both for \$3650.
Must be sold together.

Flood Control Hearing Set For Wednesday

First of three meetings to determine flood control projects for next fiscal year in the Palm Springs area will be held at 4 p.m. Wednesday, April 24, at Frances Stevens School.

Zone 6 commissioners Raymond Sorum and William A. Mason will preside at the session, at which time persons interested in requesting action on various projects are invited to appear.

Two more hearings will be held before the final decision is reached on projects, but all proposals should be submitted at the Wednesday hearing.

The board currently is without a third commissioner as Willard Hillery resigned due to illness.

Red refugee warns Others, Promises of Reds Are False

WASHINGTON. — Peter Pirogov had a message today for all Soviet refugees who might be urged by Red agents to return to Russia: "Don't believe their promises."

Pirogov, once a pilot in the Soviet air force, fled with a comrade Anatoli Barsov, to Austria in October, 1948. He came here in early 1949 and now lives in Virginia with his wife and three children.

The State Department Wednesday ordered a Soviet Embassy employee to quit the country on grounds of "highly improper activities" in trying to lure Pirogov back to Russia.

The department said other "improper activities" of Gennadi F. Mashkantshev included trying to entice "others" to return to Russia. It refused to discuss the "others." The Soviet Embassy here denied its envoy engaged in improper activities.

Pirogov said the Red diplomat tried to woo him back to Communism by giving him a letter from Barsov, his companion in his freedom flight, saying all had been

forgiven when Barsov returned to Russia and he was happy and in good health.

Pirogov said the letter was a forgery. He said Barsov was questioned for months upon his return to Russia and finally executed, according to a former Soviet diplomat who has since defected.

Currently showing at the Plaza Theater is "Funny Face," with Fred Astaire and Audrey Hepburn.
